

February 19 Meeting Agenda

The next meeting of the Association will be held in the Memorial Room of Montpelier City Hall.

This is our first business meeting in conjunction with an education event! From 8:30 am to 9:30, we will conduct our business meeting, followed by a presentation by Tim Stone.

Mr. Stone is a NICET Level III engineering technician and consultant who designs sprinkler systems for many of the installers in Vermont. He will review the requirements of NFPA 13 D and try to dispel the myths about sprinkler systems.

Space is limited — the room will hold about 50 people — so we would very much appreciate your RSVP to help make sure you all have a seat! A response to this e-news will work!

Our host, Glenn Moore, highly suggests that we all take advantage of the park and shuttle system — The capitol (free) shuttle will be running (unless the legislature goes home!). Parking is free at the Dept. of Labor lot. From there, ride either loop A or B of the Route 88 capitol shuttle. City hall is halfway on both loops, so the ride is the same distance. Here is a link to the bus info: <http://www.gmtaride.org/capital-district/routes-schedules-cd.html>.

Parking is tight but possible at 8:00 am behind city hall but the cost is high (it may be \$2.00 per hour in the two hour spaces), but they fill up early.

ICC Presidential Fireside Chat — Check online for the schedule for the next chat or to listen to archived chats at <http://www.iccsafe.org/news/chat.html>.
