## January 16 Meeting Agenda

**The next meeting** of the Association will be held in White River Junction at the Hartford Fire Department. Your participation is welcome as we look forward. We will be discussing the development of a 15-month plan to bring educational, membership, and code review benefits to Vermont's building and safety professionals.

**The top priority** of the meeting is to complete the application process so that our Association can be approved by the ICC Board of Directors as an ICC Chapter. The application must be submitted in January for the Board's meeting in March.

### ICC MEMBERS WHO RESIDE IN VERMONT:

To qualify as an ICC Chapter, our Association must have 20 ICC members on our membership roster. We currently have 11. If you are an ICC member and have not sent in an application, please process the application as soon as possible. For your convenience, a copy follows this newsletter and a pdf is attached. Your \$30 membership fee will fuel our initial efforts to develop the association's programs.

Join today and put your ICC membership to work!

The Association's website will be live soon on [www.buildsafevt.org](http://www.buildsafevt.org). We anticipate this being completed by the end of this week.

The logo appearing on this newsletter is only one entry in the logo contest. Please bring your version to our meeting on the 16th!
