

MEETING SCHEDULE

With the expectation that road conditions last Thursday would dampen attendance for our meeting and presentation, the decision was to postpone Tim Stone's presentation to Wednesday, March 18.

If you intend to attend this event, please use the link below to send your RSVP —

[RSVP for 3-18-09](#)

This is our first business meeting in conjunction with an education event! From 8:30 am to 9:30, we will conduct our business meeting, followed by a presentation by Tim Stone.

Mr. Stone is a NICET Level III engineering technician and consultant who designs sprinkler systems for many of the installers in Vermont. He will review the requirements of NFPA 13 D and try to dispel the myths about sprinkler systems.

Our host, Glenn Moore, highly suggests that we all take advantage of the park and shuttle system — The capitol (free) shuttle will be running (unless the legislature goes home!). Parking is free at the Dept. of Labor lot. From there, ride either loop A or B of the Route 88 capitol shuttle. City hall is halfway on both loops, so the ride is the same distance. Here is a link to the bus info: <http://www.gmtaride.org/capital-district/routes-schedules-cd.html>.

Parking is tight but possible at 8:00 am behind city hall but the cost is high (it may be \$2.00 per hour in the two hour spaces), but they fill up early.

For our future meetings see our calendar of events below.

If you have a topic that you would like to learn more about, please let us know. Your topics would be helpful as we are planning meetings for the coming months. Please bring your suggestions to our next meeting or contact us via phone or email!

Eastern States Building Officials Federation -- 2009 Conference is in Durham, NH!

Take advantage of this year's conference and it's proximity to Vermont! Code certification testing is scheduled preceding the conference. There is exhibit space that Vermont businesses can sign up for. Green building will be one of the two tracks for the event.

Register to attend at www.esbof.org. Join code officials and building professionals from around our region. Learn what other state ICC Chapters are doing and bring back some ideas to our Association!

Volume 1, Issue 6

February 23, 2009

Our Mission:

To advance the professionalism of and provide assistance to code officials, design professionals, builders, manufacturers and others involved in the construction process to help improve public health and safety throughout the State of Vermont.

BSA-VT Committees

Our Committees are establishing new directions for the Association and participation from members is welcome! Please contact the Committee Chair to become involved.

Membership Committee:

This committee endeavors to have all eligible building and life safety professionals and appropriate members of their staff become members of the ICC Building Safety Association of Vermont, Inc.

Chair: Ryan Borkowski,
Ryan.Borkowski@HanoverNH.org

Financial Committee:

This committee reviews the books of the ICC Building Safety Association of Vermont, Inc. during each annual meeting as submitted by the Treasurer.

Chair: Ward Smyth,
wsmyth@turtlecreekbuilders.com

Education Committee:

The objective of the education committee is to organize and facilitate various types of training programs to help in the understand the codes and the reason for code
