

## Membership Is Growing!

Our chapter continues to grow! As of today, we have 17 members who are also members of ICC and 13 Vermont members! Our immediate goal is still 20 ICC members so we can qualify as an ICC Professional Chapter.

## ICC MEMBERS WHO RESIDE IN VERMONT

If you are an ICC member and have not sent in an application, please process the application as soon as possible. For your convenience, a copy follows this newsletter and a pdf is attached. Your \$30 membership fee will fuel our initial efforts to develop the association's programs.

Join today and put your ICC membership to work!

We also have two seats open on the Association's Board of Directors. If you are interested in serving as a Director or officer (ICC membership is a requirement), please contact Rob Pickett, [robpickett@vermontel.net](mailto:robpickett@vermontel.net).

## February 19 Meeting Agenda

The next meeting of the Association will be held in the Memorial Room of Montpelier City Hall. **Please RSVP if you plan to attend so we are sure to have enough chairs!**

This is our first business meeting in conjunction with an education event! From 8:30 am to 9:30, we will conduct our business meeting, followed by a presentation by Tim Stone.

Mr. Stone is a NICET Level III engineering technician and consultant who designs sprinkler systems for many of the installers in Vermont. He will review the requirements of NFPA 13 D and try to dispel the myths about sprinkler systems.

Our host, Glenn Moore, highly suggests that we all take advantage of the park and shuttle system — The capitol (free) shuttle will be running (unless the legislature goes home!). Parking is free at the Dept. of Labor lot. From there, ride either loop A or B of the Route 88 capitol shuttle. City hall is halfway on both loops, so the ride is the same distance. Here is a link to the bus info: <http://www.gmtaride.org/capital-district/routes-schedules-cd.html>.

Parking is tight but possible at 8:00 am behind city hall but the cost is high (it may be \$2.00 per hour in the two hour spaces), but they fill up early.
