BSA-VT Becomes First Vermont Chapter of ICC!

A call from Ron Piester of the ICC Board of Directors brought welcomed news and congratulate our Association as the Board approved BSA-VT's application to become a Professional Chapter of ICC!

Piester is Director of the New York State Department of State Division of Code Enforcement and Administration in Albany, NY and a member of the ICC Board of Directors. Meeting prior to the beginning of the ICC Educational Codes Forum in New Orleans last week, the Board acted on this and other items on their agenda.

Ron mentioned that the latest additions to our membership roster helped clinch the decision and commended us for getting that roster update to Laura Scott. Good work, Ward!!! Thanks also to Dottie and Bruce for their support in our efforts to become an ICC Chapter!

Ron Piester will be at the ESBOF conference at the end of the month (Mon-Wed). If you are planning to attend (and I hope you are!), please make a point of thanking him for his support on our behalf.
