Dear Robert,

The ICC Building Safety Association of Vermont (BSA-VT) invites all building professionals in Vermont to become a member and join our efforts to become a chapter of the ICC (International Codes Council, Inc.). Our Executive Committee has been working hard to complete the steps necessary for the organization to grow, and we are looking for more help from members to develop our committee goals. The newly approved BSA-VT Bylaws establish four committees dedicated to furthering our mission - the committees are Finance, Membership, Education, and ICC Code Review. Our mission is to advance the professionalism of and provide assistance to code officials, design professionals, builders, manufacturers and others involved in the construction process to help improve public health and safety throughout the State of Vermont.
