throughout Vermont*

ICC Building Safety Association of VT | 4 Mad River Green | PO Box 760 | Waitsfield | VT | 05673

Association Membership Drive

Our Association is approaching an important milestone as we close on the New Year. The goal is to apply for ICC Professional Chapter status to gain the ICC benefits that our Association can then offer our members. Among the benefits to becoming an ICC Chapter include

- **Chapter Education** -- The annual Chapter Education Benefit is the most popular chapter benefit. Chapters may choose from an ICC seminar delivered on-site or on-line.
- **Training Materials** -- Everyone who attends a Chapter Education Benefit Day will receive complimentary training materials.
- **Chapter Discount Program** -- All chapters receive a complimentary ICC membership and are entitled to receive 20% off ICC Member prices on ICC designated products for bulk orders shipped and billed to the chapter.
- **ICC Chapter eNews**, a quarterly publication for chapters
- Participation in **Region VI** Chapter activities
- Attendance at our Annual meeting by an ICC Board or Executive Staff Member.

Please help us reach our goal and expedite our Chapter benefits! If you are already a member of ICC, your \$30 BSA-VT membership will help build our roster to the required minimum of 20 ICC members. Please send in your application today!

To get a copy of the application or our bylaws, please email robpickett@vermontel.net or wsmyth@turtlecreekbuilders.com.

Save
\$30!

We are holding a competition for a logo design for the Association. The logo design should incorporate a proposed acronym for the Association.

Please email your design to Rob Pickett (robpickett@vermontel.net) or Ward Smyth (wsmyth@turtlecreekbuilders.com) before our next meeting so that we can make the final selection together! The winner will receive their **first year membership FREE** - a \$30 value!

Offer Expires: 1-16-09

Our Mission:

To advance the professionalism of and provide assistance to code officials, design professionals, builders, manufacturers and others involved in the construction process to help improve public health and safety throughout the State of Vermont.
