# ICC Building Safety Association of Vermont

## Sustainable Design in Vermont:

### *A Focus on New Energy & Green Building Codes*

Please join us on June 23, 2010 at the Lake Morey Resort in Fairlee, VT for the second annual meeting of the ICC Building Safety Association of Vermont. Both national and neighboring states' representatives from the International Code Council will be on hand to provide insight on the many building and code issues facing Vermont and New England.

Attendees from all sectors of the design and construction community will have an opportunity to hear about new and emerging guidelines for green building and discuss their impact. The day's agenda offers an exciting platform of sessions on new sustainable design guidelines, Vermont's new energy codes coming in 2011, a regional perspective of building codes in the Northeast, and more.

## Meeting Highlights

### Annual Business Meeting

*Annual review, election of Board of Directors and officers*

### International Green Construction Code (IGCC)

*Dottie Harris, Vice-President, State and Government Relations, ICC*

### Vermont Energy Code Upgrades: RBES & CBES for 2011

*Stu Slote & Lee Wood – Navigant Consulting*

### A Northeast Region Perspective on the Status and Development of Building Codes

*Keynote Address by John Leyden –  
ICC Northeast Regional Coalition &  
Eastern States Building Officials Federation*

### Panel Discussion: The Meaning of Green for Vermont's Design & Building Professionals

*Panelists to include ICC and  
Neighboring States' Officials with  
Vermont Code Experts*

Registration includes continental breakfast and lunch.

### Arriving Tuesday evening?

An informal dinner in the main dining room with lake view is scheduled at 7pm in the Lakeside Dining Room. Join in and meet some of the other attendees ahead of Wednesday's meeting – all orders will be from the menu featuring a new American cuisine.

### After the Meeting

Plan for a little downtime? Activities available through Lake Morey Resort include Golf, Tennis, and Boating (canoes, kayaks, pontoon boats). We will reserve tee times for after the meeting!
